

NIKAU POINT

Reserve Hawkes Bay Syrah 2010

Definitive aromas of Cloves, Cedar, Pine needles and Vanilla leap from the glass and stimulate the nose with vigour.

Flavours of Bell peppers, Cracked Black Pepper and black current jam swirl around the mouth to leave a long lasting finish that keeps on giving long after it has warmed the back of the throat.

Full bodied and lengthy, this is a good example of a New Zealand Hawkes Bay Syrah.

A perfect companion with a tender Rib Eyed steak or fillet mignon.
