MARLBOROUGH SAUVIGNON BLANC
2018**

Heritage

Established in 1978, The Wine Portfolio combines the finest grapes with the best winemaking techniques, as well as passion from our dedicated winemakers. We have taken the boutique winery approach to winemaking by controlling the entire process—from grafting our own cuttings, developing our own vineyards and viticultural techniques and investing in the best technology possible.

Vineyards

This wine is from Sauvignon Blanc grapes grown in our Kuranui vineyard in the Awatere Valley sub-region of Marlborough.

Winemaker's Tasting Notes

An Aromatic and herbaceous Sauvignon Blanc from the renowned Awatere Valley. This wine displays perfumed notes of ripe tropical and citrus fruits accented by aromatic herb aromas. A mouth-watering zesty lime palate is complimented with sweet passionfruit and guava flavours, ending with a dry mineral finish.

A warm 2018 grape growing season in Marlborough enabled us to harness a real depth of flavour and freshness in this wine. With a long, cool ferment using specialised yeast strains in stainless steel tanks, the wine was able to express itself into a delicious example of Aromatic Marlborough Sauvignon Blanc.

Cellaring Potential

This wine is drinking well now but can be cellared for up to two years.
