NEW ZEALAND'S FINEST

# MILL ROAD

## Hawkes Bay Pinot Gris 2013

This wine has aromas of nectarine and peach. On the palate these flavours are joined by rock melon which lingers in the long finish.

### Winemaking:

This 2013 Pinot gris was sourced from all four of our Hawkes Bay Pinot gris vineyards, Riverview, Kinross, Tantallon and Colefield. The individual pickings were pressed at our Riverview winery, and the juice transported to our Katikati winery where it was fermented in stainless steel. After blending and fining, the wine was bottled in May 2014 and again in August.
